BACKGROUND

GROUP CHAIRMAN

Mr. Obaid established Mutaiwei Investments in the early 80's, which has been active in education, engineering and urban development for over three decades. Nevertheless, Mr. Obaid's passion was firmly rooted in the belief that education is the cornerstone of a country's success, and this understanding drove his expansion into the field.

Chairman was instrumental in the successful establishment of international branch campuses of several reputed United Kingdom universities across the globe – Middlesex University & Birmingham City University in Dubai, University of Greenwich in Sri Lanka, and Northampton University in Kenya. In addition to his partnerships with universities, Chairman also founded the Atticus Academy, which is the pioneer in German-standard, high-quality vocational training in the UAE and the Gulf region. - And the only vocational institute referring guaranteed employment in Germany for the fresh graduates.

PROJECT DETAILS

JOB PLACEMENT GERMANY

The industrial placement program is initiated by German Chamber of Commerce. According to the German Federal Agency for Work, CEO Mr. Detlef Scheele, Germany requires approximately 4 lakhs skilled workers each year for the next 5 years.

Our German partners in collaboration with the German IHK Akademie has developed a program which targets to qualify, certify, and employ the university graduates in various specializations and professions such as Medicine, Nursing, Allied Health, Engineering, Hotel Management & Hospitality, Business Administration (Marketing and Accounting) and culinary (chefs).

BTEC brings you decades of expertise in education and management consulting. Our diversified experience comes from possessing highly qualified experts across the globe. We invite you to benefit from our placement program, which secures progressive careers for the job aspirants.
